MISSION STATEMENT

The mission of the Committee is to solicit input from food establishment owners and representatives, and from advocates of plastic waste reduction, in developing regulations to reduce, or eliminate, the use of disposable plastic containers and utensils by food establishments in Falmouth. The Committee will consider cost implications for businesses and consumers as well as the environmental impacts of disposable plastic. Proposed regulations will be presented to the Health Agent for review and comment prior to submission to the Board of Health for consideration and potential adoption.
