

## **EMERGENCY PUBLIC NOTICE**

September 2, 2021 6:30AM

Falmouth is experiencing temporary roadway flooding and some road blockages as a result of the overnight very significant rain and wind event. Residents are cautioned to avoid any unnecessary travel and if they must be on the roadways to be cautious and alert for temporary high water. Public Works, Police and Fire are responding to issues related to wind and rain throughout Town. Portions of Falmouth are experiencing temporary power outages, with EverSource being advised and responding. Should you have an emergency, it is important to call 911.
