Dear Applicant:

The documentation that is REQUIRED to purchase a sticker(s) is outlined on the reverse side of this letter along with this 2025 application form. Below, please find our updated Rules and Regulations. Detailed rules will be included with your sticker when we mail it back to you.

* RULES AND REGULATIONS PERTAINING TO STICKERS for 2025*

1. **The Town of Falmouth is required to prohibit the issuance of any town permit or license to an individual who has neglected or refused to pay any local taxes and fees.**
2. Stickers are 100% NON-TRANSFERABLE and CANNOT be placed on any vehicle except the one to which it was issued.
3. NO REFUNDS are issued for Stickers. There will be NO EXCEPTIONS.
4. To make it easier for our Gate Attendants to validate your sticker, all previous years' stickers MUST be removed from your windshield.
5. If your sticker becomes invalid (broken windshield, purchase of a new vehicle, new plate number, etc.), remove the entire original sticker from the windshield and bring it to the Town Clerk's Office, regardless of its condition, for a replacement sticker at the reduced rate of \$10. **NOTE: The reduced rate is only offered if the original sticker is returned. Otherwise, you must pay \$40 for a new sticker.**
6. Falmouth Town Clerk's Office and the Beach Department are NOT responsible for lost or stolen stickers. If your sticker is lost or stolen, you must pay \$40 for a new sticker.
7. Your 2025 Beach and/or Disposal Area Sticker(s) are valid thru December 31, 2025.
8. A phone number(s) MUST be listed on the application form, in case of unclear paperwork sent in.
9. DO NOT SEND CASH. Money Order or Check for stickers only, DO NOT include any other town payments with application.
10. If your Falmouth property is in a trust, you MUST supply the office with documentation showing you, as an individual is the trustee of the property.
11. Failure to abide by the Rules and Regulations posted at beach sites and on handouts (available upon purchase of your sticker), may result in the revocation of your sticker(s).

When your sticker(s) arrives, please verify that the license plate number written on each sticker is correct. **Once verified, apply the sticker immediately (to avoid misplacing it) to the FRONT, lower left corner of the driver's side windshield ONLY.** If the plate number on the sticker is incorrect, please bring the sticker in and we will issue a corrected sticker.
