VOTE BOTH SIDES OF BALLOT

BALLOT QUESTIONS

QUESTION 1:

Shall the Town of Falmouth be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts to pay for the bonds issued in order to pay the engineering, design and construction of the Great Pond Phase 1 Sewer Project and to include the sewer lines, the pump stations, the force main to convey the wastewater to the Town's main wastewater treatment facility, and the rehabilitation of the Town's existing northernmost open sand beds for discharge of treated wastewater, including, without limitation, all costs incidental and related thereto?

SAMPLE BALLOT

YES

NO

QUESTION 2: Non-Binding Public Advisory Question

WHEREAS, Holtec, owner of the Pilgrim Nuclear Power Station in Plymouth, is discharging untreated radioactively and chemically contaminated industrial wastewater into the atmosphere; and.

WHEREAS, these airborne pollutants are being carried by prevailing winds over and into Cape Cod Bay and our communities; and,

WHEREAS, just as liquid discharge into Cape Cod Bay is in violation the Massachusetts Ocean Sanctuaries Act and other State Laws, this gaseous discharge also violates the Ocean Sanctuaries Act and other state laws Holtec agreed to follow; and,

WHEREAS, these airborne pollutants threaten public and environmental health and safety-including the safety of Holtec's own workers-and our marine-based economy;

Therefore, shall the people of the Town of Falmouth direct the town government to communicate with Governor Maura Healey, Attorney General Andrea Campbell, the State Legislature, and all other relevant authorities to employ all means available to ensure that the law is enforced and to ensure further that Holtec immediately cease the gaseous discharge of the radioactively and chemically contaminated industrial wastewater at Pilgrim?

YES

NO
