

**Public Notice - Town of Falmouth**  
**Notices of Intent to file Watershed Permits**

Pursuant to 310 CMR 15.215(2), public notice is hereby given that the Town of Falmouth has filed Notices of Intent (NOI) to apply for Watershed Permits for the watersheds to the following waterbodies: Little Pond, Great Pond, Green Pond, Bournes Pond, Eel Pond/Waquoit Bay, Oyster Pond, Falmouth Harbor, West Falmouth Harbor, Wild Harbor, Megansett Harbor, Fiddlers Cove, Rands Canal and Quissett Harbor. Filing these NOIs will prevent commencement of the five-year time period in which Title 5 system upgrades would otherwise be required under 310 CMR 15.215(2)(a) and suspends the Title 5 upgrade requirements for new construction under 310 CMR 15.215(2)(b). Timelines, including proposed milestones for the Watershed Permit applications, have been included with the NOI filings. Please contact Falmouth's Wastewater Superintendent Amy Lowell at amy.lowell@falmouthma.gov with any questions.
