The Cape Cod COVID-19 Response Task Force

The Cape Cod COVID-19 Response Task Force (formerly the Cape Cod Reopening Task Force) was created to develop collaborative strategies for reopening Cape Cod. The goal of the Task Force is to support economic recovery while protecting the health and safety of our residents and visitors. The Cape Cod Reopening Task Force is led by the Cape & Islands Legislative Delegation, the Cape Cod Chamber of Commerce and Barnstable County, with participation from Cape Cod Healthcare, municipal officials, first responders, community leaders and others.

MassSupport Network

The MassSupport Crisis Counseling Program (CCP) is funded by the Federal Emergency Management Agency (FEMA) and managed in partnership between the Massachusetts Department of Mental Health and Riverside Trauma Center, a program of Riverside Community Care.
